Model No. : **LED BULB E27**

Information

Description : LED design last technology which can provide high efficiency 125lm/W, input voltage range 100-250 VAC at The constant current driver design provides a regulated output to deliver a constant current.

Dimension : 60mm. DIA x 119mm. (H)

Material : PC

Housing : A60

Surge Protection : 1kV

Light Source

Wattage : 5W / 625lm 7W / 875lm
 9W / 1,125lm 11W / 1,375lm
 13W / 1,625lm

CCT : 1800K 2000K 3000K
 4000K 6500K 7800K

Input Voltage : 100-250VAC 50/60Hz.

CRI : >80 >90

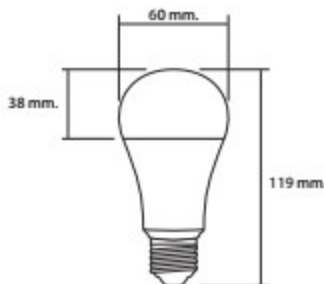

Dimming : Non Dim Dimmable (Only 9W)

Driver : Internal

Order quantity : Pcs.

Accessories & Optional

Remarks

Wiring for dimmable
